Mission: 25th CAB provides Multifunctional Aviation support for the 25th Infantry Division, and trains to be ready to deploy a scalable force in support of emerging requirements and contingencies in the PACOM AOR to conduct Multifunctional Aviation support.

Vision: 25th CAB is a highly proficient, lethal, expeditionary team dedicated to supporting Army/Joint/Coalition forces through leader development, high standards and discipline, and comprehensive soldier and family fitness, as the Army's Combat Aviation Brigade of choice for the Pacific.

Key Tasks:

- **"Flying for the Troops", as we help prepare ground forces throughout Oahu for their upcoming missions, which provides training opportunities for platoon air assaults, sling loads, tactical MEDEVAC, and CCA**
- **Provide a robust Aviation Task Force for CRF 1 and support 25th ID HQs in support of the PACOM Response Force. Rapid Deployment capable. 18 Hour notification able to provide robust support to tactical commander**
- **Joint capable and knowledgeable**
- **Refine TTPs for implementation of the UH-60M and AH-64E**
- **Develop highly trained, experienced, bold, and adaptive leaders capable of excelling during decentralized operations**
- **TSCP Training Teams for Mission Command, Lift, Attack/Recon, MEDEVAC, and Aviation Maintenance**
- **Experts at overwater and Maritime Operations**
- **Experts at Aviation Operating in a Jungle Environment**
- **Continuously integrate individual and collective training into daily tasks**
